## *A night at the dogs...*

*The evening at Romford Stadium on the 7<sup>th</sup> July was a great success and a good time was had by all that attended. There were a few winners but none of us had that BIG win!*

*The Paddock restaurant was situated on the finishing line so we all had an excellent view of the track. The three-course meal was very good and the service was excellent too.*

*Our thanks to Tony Pizzala for organising this event, we hope to repeat it sometime in the future.*

## *Following our recent visit to Romford Stadium.....*

*Did you know that greyhounds make great pets...*

*The journey doesn't stop when the racing does...*

*Greyhounds are affectionate, loving, playful and very clever and make wonderful pets!*

*Known for their speed and the belief they need lots of exercise, however they don't need a huge amount of exercise... these gentle, affectionate animals love snuggling on the sofa and napping, but will also happily go on long walks with you too!*

*Whether you work, have children or other pets, the rehoming partners work hard to match the right greyhound with the right family, ensuring they are happy and healthy!*

## EXTRACT FROM THE JULY EDITION OF ECFRS NEWS

### Staying safe around the water this summer

Every year people drown at home and on holiday because they don't take simple precautions. We want people to enjoy the water safely.

Help us to reduce summer tragedies this year by spreading the following water safety advice.

**Look out for lifeguards** - if you're looking to enter the water, find a lifeguarded swimming-site

**It's colder than it looks** - water is often much colder than it looks. Cold water can affect your ability to swim and self-rescue

**Don't go too far** - always swim parallel to the shore

**It's stronger than it looks** - currents in the water can be very strong. If you find yourself caught in a riptide don't swim against it because you'll tire yourself out. Swim with the current and call for help.

**Bring a friend** - always bring a friend when you go swimming so they can help if something goes wrong

## OBITUARIES

### CAROLE BESTER

We are very sorry to have to bring you the very sad news that RMA member Carole Bester died at 5am on the 12<sup>th</sup> July 2023. Carole was part on the Secretariat at ECFRS Headquarters at Hutton and supported the RMA at many of the events.

Carole's daughter Hilary writes as follows:

"....my mother often spoke very fondly about her time working in the fire service and being part of the retirement group. Please, if possible, could you make the relevant parties aware that my mum's funeral was held on Wednesday 2<sup>nd</sup> August at 11.30 a.m. at the South Essex Crematorium in Corbets Tey...."

### PAT JONES

The following message was received from Margaret Jones on the 13<sup>th</sup> July:

"I'm very sorry to have to tell you that Pat Jones, former ACO (Admin) passed away last week."

His funeral was on Monday 24<sup>th</sup> July in the Abbey Chapel at the West Suffolk Crematorium, with a reception afterwards at the Bury St Edmunds Golf Club.
